

**IN THE CIRCUIT COURT OF BOONE COUNTY, MISSOURI  
ASSOCIATE DIVISION**

Plaintiff,		
v.		Case No.
Defendant(s).		

**MOTION TO RAISE CASE SECURITY LEVEL**

**COMES NOW** Defendant and, pursuant to Local Rule 4.75, respectfully requests the security level in the above captioned case be increased to Level 3 to prevent public viewing of the case on Missouri Case.net. In support of this motion, Defendant states as follows:

1. Local Rule 4.75 allows any party in a non-criminal case to file a motion requesting the security level be raised to Level 3.
2. The above-captioned case is currently visible to the public, including any prospective landlord from whom Defendant may seek housing.
3. The mere existence of an eviction-related law suit is a red flag that is currently deterring potential landlords from renting to Defendant, increasing the likelihood Defendant and Defendant's family will become homeless.

**WHEREFORE**, Defendant prays this Court raise the security level to Level 3.

Respectfully submitted,
